

# Havana Power Plant Energy Storage Station

## Overview

On August 21, 2019, plant owner Vistra announced that the power plant will be retired before the end of 2019 if it is determined that the unit is not needed for network reliability. Vistra Energy said it needed to close the plant to meet the requirements of the recently approved revisions to the. The plant was owned by Dynegy. On April 9, 2018, Vistra Energy, the parent company for TXU Energy and Luminant, announced it had completed its merger. On March 7, 2005 the U.S. Department of Justice and the U.S. EPA along with the State of Illinois announced a settlement between Illinois Power Company and.
